2018 MSHP ANNUAL MEETING

July 26th – 28th, 2018
Oxford Conference Center • Oxford, Mississippi

Event Details

After a great event in 2017, the Annual Meeting of the Mississippi Society of Health-System Pharmacists is meeting again at the Oxford Conference Center in Oxford, MS. On behalf of the MSHP Education Committee, I hope that you will consider joining us in Oxford for continuing education (CE), networking opportunities, and some well-deserved downtime. This year, there will be a special opportunity to learn more about the Practice Advancement Initiative in the Ambulatory Care setting during a 4-hour workshop held the morning of July 26th, with the general meeting beginning that afternoon with 3 hours of Pharmacist CE.

A total of 13 Pharmacist-hours and 6 Pharmacy Technician-hours of CE will be offered with the opportunity to complete the education required to earn or maintain a Mississippi Consultant Pharmacist Certification and Pharmacy Technician Law. The continuing education offerings this year will include a broad array of topics and feature speakers from a variety of settings.

This year, the exhibits and silent auction will open at the Oxford Conference Center after the opening day's educational sessions. Food and beverages will be provided during the exhibitor showcase. The awards banquet and officer installations will be held on Friday, July 27th. Immediately following the education sessions on Friday, attendees will have an opportunity to enjoy a reception hosted by MSHP and the University of Mississippi School of Pharmacy at The Chancellor's House. Shuttle service will be provided to The Chancellor's House and from the square on the evening of the reception.

Registration

MSHP requires that all persons wishing to attend the functions register for the meeting. To participate in the continuing education or exhibits, you must receive a nametag. These nametags should be visible at all times. Early registration will end July 7, 2018. A registration form is attached, or you may visit our website to register at www.msshp.org.

Accommodations

Rooms have been blocked at two hotels adjacent to the Oxford Conference Center, Hampton Inn Oxford Conference Center and the Marriott TownePlace Suites. Reservations can be made by calling the hotels directly at (662) 234-5565 for the Hampton Inn Oxford Conference Center or (662) 238-3522 for the Marriott TownePlace Suites. When claiming your room in the room block, mention "MS Society of Health-System Pharmacists". All rooms are \$114 + tax. Check-in times are 3:00 pm at the Hampton Inn Oxford Conference Center and 4:00 pm at the Marriott TownePlace Suites. Please make your reservations early. The room block ends July 8th or when all rooms have been reserved, whichever comes first. Both hotels offer complimentary hot breakfast, WiFi, and parking.

Continuing Education

The University of Mississippi School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Upon successful completion of these continuing education activities, seminar registrants will have continuing pharmacy education credit posted to their MyCPE Monitor (www.mycpemonitor.net) within 60 days of the program date. This meeting has been accredited for up to 13 contact hours (1.3 CEU) for pharmacists and up to 6 contact hours (0.6 CEU) for pharmacy technicians by the University of Mississippi School of Pharmacy, Division of Pharmacy Professional Development.

CE credit claiming will occur electronically. Participants (pharmacists AND technicians) will need an NABP e-profile number from the National Association of Boards of Pharmacy to receive CE credit. Participants should provide these numbers upon signing in and when completing post-presentation evaluations.

Target Audience

Pharmacists, pharmacy residents, pharmacy technicians, and pharmacy students are the target audience.

Conflict of Interest

All speakers will disclose affiliations or conflicts of interest at the beginning of their respective presentations.
