Mississippi Society of Health-System Pharmacists

66th Annual Meeting
July 25 – 27, 2019 • Oxford Conference Center
Oxford, Mississippi

Early registration discount ends June 30th
Event Details

After a great event in 2018, the Annual Meeting of the Mississippi Society of Health-System Pharmacists is meeting again at the Oxford Conference Center in Oxford, MS. On behalf of the MSHP Education Committee, I hope that you will consider joining us in Oxford for continuing education (CE), networking opportunities, and some well-deserved downtime. This year, there will be a special opportunity to earn up to 3 hours of addiction-related pharmacist CE hours.

A total of 12 Pharmacist-hours and 6 Pharmacy Technician-hours of Live CE will be offered with the opportunity to complete the education required to earn or maintain a Mississippi Consultant Pharmacist Certification and Pharmacy Technician Law. The continuing education offerings this year will include a broad array of topics and feature speakers from a variety of settings.

This year, the exhibits and silent auction will open at the Oxford Conference Center after the opening day’s educational sessions. Food and beverages will be provided during the exhibitor showcase. The awards banquet and officer installations will be held on Friday, July 27th. Immediately following the education sessions on Friday, attendees will have an opportunity to enjoy a reception hosted by MSHP and the University of Mississippi School of Pharmacy at the Brandt Memory House located on the University of Mississippi Oxford Campus. If driving, parking is available in the free lot just past South 5th Street off University Avenue. There will also be a free, round-trip shuttle from the Hampton Inn to the Memory House. More information about the shuttle service is on page 5.

Registration

MSHP requires that all persons wishing to attend the functions register for the meeting. To participate in the continuing education or exhibits, you must receive a nametag. These nametags should be visible at all times. Early registration ends June 30, 2019. You may visit our website to register at www.msshp.org.

Accommodations

Rooms have been blocked at two hotels adjacent to the Oxford Conference Center, Hampton Inn Oxford Conference Center and the Marriott TownePlace Suites. Reservations can be made by calling the hotels directly at (662) 234-5565 for the Hampton Inn Oxford Conference Center or (662) 238-3522 for the Marriott TownePlace Suites. ### Continuing Education

The University of Mississippi School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Upon successful completion of these continuing education activities, seminar registrants will have continuing pharmacy education credit posted to their MyCPE Monitor *(www.mycpemonitor.net)* within 60 days of the program date. This meeting has been accredited for up to 12 contact hours (1.2 CEU) for pharmacists and up to 6 contact hours (0.6 CEU) for pharmacy technicians by the University of Mississippi School of Pharmacy, Division of Pharmacy Professional Development.

**CE credit claiming** will occur electronically. Participants (pharmacists AND technicians) will need an NABP e-profile number from the National Association of Boards of Pharmacy to receive CE credit. Participants should provide these numbers upon signing in and when completing post-presentation evaluations.

**Target Audience**
Pharmacists, pharmacy residents, pharmacy technicians, and pharmacy students are the target audience.

**Conflict of Interest**
All speakers will disclose affiliations or conflicts of interest at the beginning of their respective presentations.
